著者:Angela O'Donnell

出版者:Wiley

出版时间:2008-02-25

装帧:Loose Leaf

isbn:9780470279816

Written by experts in cognition, motivation, and assessment, the new second edition provides an effective framework that not only makes the study of educational psychology manageable, but also develops new teachers into reflective practitioners. It integrates real classroom cases, thought-provoking questions, and synthesizing activities to guide readers through a unique four-step process that seamlessly translates theory into practice, and helps make reflection an everyday practice.
