Twenty-five million people come to England every year, and some never go out of London. But England is full of interesting places to visit and things to do. There are big noisy cities with great shops and theatres, and quiet little villages. You can visit old castles and beautiful churches - or go to festivals with music twenty-four hours a day. You can have an English afternoon tea, walk on long white beaches, watch a great game of football, or visit a country house. Yes, England has something for everybody - what has it got for you?
