What will we do when there is nowhere to put our rubbish? Every day, all over the world, people drop cans, boxes, paper, and bottles into bins and never think about them again. And the rubbish mountains get bigger and bigger. But there is another way

- a way that makes old paper into houses, broken bottles into jewellery, and old cans into bridges. Anyone can recycle - it's easy, it saves money, and it's a way to say, 'I care about the Earth.' Saving the world starts with you - here - now.
