Ask people who have been there, and they will all tell you India is like no other place in

the world, a land that stirs every one of the five senses and stays in your heart forever. It is this India that brought together three friends, Waris Ahluwalia, Mortimer Singer and Tina Bhojwani to raise funds, spirits, and awareness for the victims of the attacks in Mumbai in November, 2008.

The editors set out to create a scrapbook collecting personal photos, stories, and memories from people who, like themselves, love India. The contributors include Wes Anderson, Adrien Brody, Francesco Clemente, Anthony Edwards, Jeanine Lobell, Natalie Portman, Yves Carcelle, Jean Touitou, Owen Wilson, Laura Wilson, Cynthia Rowley, James Ivory, Matthew Williamson, Rachel Roy, Tory Burch, Padma Lakshmi and Shobhaa De. This book declares to Mumbai and the whole country that we are all thinking of them and support them: hence To India, with Love: New York to Mumbai. Profits from the sales of the book will go to support families

affected by the attacks. This book can truly make a difference, by opening eyes to the wonders of India and by once again letting the pen or a camera dominate the sword.
