isbn:9781887123532

"Soliloquy" is a written record of every word (good, bad and indifferent), spoken by New York artist Kenneth Goldsmith during one week. The work originated as a gallery installation in 1997. "Confronted with the clutter of 'real' speech...we realize that we all sound a bit like George Bush." Gordon Tipper, "zingmagazine" 6 x 10 in.
