In this volume honoring William J. Abraham, noted theologians, philosophers, and historians offer erudite analysis of various aspects of the faith Scripture, conversion, initiation, liturgy, confession, reconciliation, and more and explore how those elements can serve to effect healing in broken lives. Brilliantly highlighting the therapeutic function of the means of grace available in Christian tradition, Immersed in the Life of God opens a conversation concerning an important theme too often neglected in the church today. / Contributors: Frederick D. Aquino, Ellen T. Charry, Paul L. Gavriluk, Douglas M. Koskela, Sandra Menssen, R. R. Reno, Thomas D. Sullivan, Jason E. Vickers, Geoffrey Wainwright, Robert W. Wall and Jerry L. Wals.
