出版时间:2003-06-02

装帧:Paperback

isbn:9780618300099

Originally published in 1903, *The Call of the Wild* is London's best-known work. Marking the 100th anniversary of the novel, this New Riverside Edition is well timed to place London's work in a new and broader historical context. In addition, the volume will show how the critical reception of the work has changed over time. Due to a resurgence of interest in the study of Jack London during the past decade, a wealth of new material is available to further illuminate *The Call of the Wild*. Supplementary materials in this volume include other London fiction that predated his writing of this novel, letters he wrote about his intentions in writing it, early reviews of the work, and critical essays from past and present.
