

On Liberty

[On Liberty_ 下载链接1](#)

著者:John Stuart Mill

出版者:Bedford/St. Martin's

出版时间:2008-4-3

装帧:Paperback

isbn:9780312450496

This new edition of *On Liberty* is the first to combine John Stuart Mill's influential work with a set of relevant primary sources by Mill and his contemporaries. Alan Kahan's introduction provides students with crucial background on nineteenth-century British politics and society; intriguing biographical details about Mill's early life, intellectual career, and marriage; and thought-provoking discussion of the core issues of autonomy and freedom that *On Liberty* addresses. The related primary documents - including an excerpt from Mill's famous proto-feminist treatise *On the Subjection of Women* - offer useful insights into the philosopher's intellectual outlook as well as a

fascinating view into On Liberty's rather stormy reception. Excerpts from Mill's diary and autobiography, contemporary reviews of On Liberty, and appreciations of Mill by his colleagues all deepen students' understanding of this remarkable work and its equally remarkable author. Headnotes and gloss notes to the documents, a selected bibliography, a chronology of Mill's life, and a set of questions for consideration offer additional pedagogical support.
