著者:Anders Petersen

出版者:Images en Manoeuvres

出版时间:2008-1-1

装帧:Hardcover

isbn:9782849951187

Petersen visited Sète, a French port and sea-side resort located on the Mediterranean Sea, as a pretext to harvest a collection of images full of precision, emotion and surprises. Astutely aware of the human dimension that he was encountering, Petersen's 65 harsh, grainy black and white photographs, capture the city, its

inhabitants and surroundings, finding solace and beauty in the ugly and ordinary.
