isbn:9781898799702

A revealing study of the Queen and her court--their daily lives, concerns, topics of conversation, meals, living condition, travels, successes and failures--that places them firmly within the historical context of 16th century Britain. "...gives us the most intimate portrait...An outstanding and fascinating book."--Punch.

作者介绍:

Elizabeth Jenkins (1905-). Educated at Newnham College, Cambridge. A distinguished novelist, historian and biographer she has published over 20 books. She was awarded the Femina Vie Heureuse Prize in 1934 for her novel *Harriet* and she received the OBE in 1981.
