著者:Therese Ragen

出版者:Routledge - Taylor & Francis Group

出版时间:2008-09-10

装帧:Paperback

isbn:9780881634723

The Consulting Room and Beyond is not a typical example of clinical writing in the field of psychoanalysis. Therese Ragen, pushing the boundaries of the genre, thoughtfully explores in a very immediate way the intersubjective nature of psychoanalysis, particularly looking at the role of the psychoanalyst’s subjectivity, both how it influences and is influenced by the psychoanalytic relationship. The profound ways in which analyst and patient affect each other are captured as the author moves from a moment with a patient, to one of her own memories, to a dream, to a professional consultation and back to the session with the patient. Ragen’s detailed descriptions of her subjective experiences and clinical skill help to weave the anecdotes into a compelling narrative, worthy of the attention of theorists, academics and clinicians alike.
