If you've ever wanted to tap a ready-to-use questionnaire the same day you recognize your organization needs a survey, then help is finally at hand. Authors Paul and Kathy Connolly have designed a must-have collection of proven, reliable organizational

surveys that anyone-from specialist human resources professionals to line managers and team leaders-can put to use immediately. Employee Opinion Questionnaires includes short, ready-to-use surveys organized into three groups: Use Issue-Focused Surveys to determine employee opinion on topics such as diversity, communications, and adaptability to change. Use Mission-Focused Surveys to gauge opinion on critical organizational issues, including employee alignment with mission, quality, ethics, and customer care. And use Event-Related Surveys for new hires, exit interviews, and assessing peoples' attitudes following training.
