著者:Christian Crumlish

出版者:Sybex

出版时间:2004-4-12

装帧:Paperback

isbn:9780782143065

Here is the most comprehensive guide to the leading professional visual web design tool on the market! While Dreamweaver appeals to designers who create web sites without coding or scripting and to developers who perform full-on programming, so does Dreamweaver MX 2004 Savvy. Featuring a task-based approach combined with step-by-step tutorials, this in-depth guide helps beginners get up to speed quickly.

Advanced coverage of working with ASP, PHP, JSP, dynamic content, Contribute, and web accessibility helps intermediate and advanced users master this robust tool. All this information is presented in a premium package with a color insert and a companion CD.
