It was a third-grade teacher who recognized Vicky Howard's talent and encouraged her on the path to becoming a successful artist. That makes The Art Of Teaching Howard's personal tribute to teachers everywhere. From heartfelt to lighthearted, Howard's illustrations are filled with intricate detail, warmth, and charm. Her designs and rich colors perfectly capture the essence of all things related to favorite teachers, while selected quotations, from Ben Franklin, Mark Twain, and a host of others, complement the joyful contributions of teaching and learning.
