Updated in a new 10th edition, *Essentials of American Government* provides the historical context students need to understand our government and the most crucial and controversial issues affecting the nation in the 21st century. This bestselling book

has been extensively revised to provide in-depth coverage of President Barack Obama's first two years in office and the 111th Congress, the 2010 congressional elections, continued concerns related to the wars in Iraq and Afghanistan, and domestic concerns related to health care reform and the economy.
