装帧:Paperback

isbn:9781412931137

Judith Burnett helps students to rise to the dissertation challenge, making the most of the opportunities which a dissertation offers and overcoming the obstacles to successful completion. This book takes students through the process of doing a dissertation from turning the raw ideas into a research question, designing the research project, choosing appropriate methods, developing a research proposal, planning and executing the project, working with data, writing up, and preparing the work for presentation.
