Dracula Vampires The blood runs red under the moon In late summer of 2009, Moonstone follows up its fang-favorite monster anthology, Werewolves: Dead Moon

Rising, with this second installment in the Moonstone Monsters series, this time focusing on those enigmatic creatures of the night, Vampires Two extra-sized special Dracula stories serve to open and close this collection of ten all-new vampire tales by some of the industry's favorite horror writers. Vampire stories are timeless and continue to dominate horror-fiction in books, as well as the big screen and television. L.A. Banks, P.N. Elrod, and Elaine Bergstrom are all celebrated for the runs of popular Vampire novels, Martin Powell demonstrates his intimate familiarity with the mythos of Count Dracula... these and other stories contained in this gruesome horror anthology are sure to appeal to an audience that can't get enough of these ages-old bloodsuckers
