isbn:9780205563838

Literature for Composition, MyLiteratureLab Interactive Edition offers superior coverage of reading, writing, and arguing about literature and a deep anthology of readings presented in Sylvan Barnet's signature accessible style along with the powerful and complete integration of My Literature Lab (www.MyLiteratureLab.com). Literature for Composition, MLL Interactive Edition enables students to access a wealth of media resources, developed to enhance their enjoyment and to help them master material. Icons in the chapters and the Table of Contents take students to film and audio clips, interactive readings, critical articles, student papers, writing prompts and other exercises.
