Creation and Fall originated in lectures given by Dietrich Bonhoeffer at the University of Berlin in the winter semester of 1932-33 during the demise of the Weimar Republic and the birth of the Third Reich. In the course of these events, Bonhoeffer called his students to focus their attention on the word of God the word of truth in a time of turmoil.

A theological interpretation of the genesis story. Bonhoeffer goes back to the essential approach to reading the Bible as the divine word. He incorporates scholarship in textual criticism and history of religion into these lectures. But his main purpose is to guide his students and himself back to God and His church.
