著者:John M. Cooper

出版者:Harlan Davidson

出版时间:1991-1

装帧:Paperback

isbn:9780882958729

Gathered in this volume are a collection of papers originally presented at a conference in honour of the American historian, held at Princeton University, USA, in May 1989. The papers highlight the breadth of Professor Link's work, focusing on historical issues of the early 20th century.
