Making Jewelry with Meaning The things you collect - the ticket stubs, the coins, the

pieces of shell from a beach - hold meaning and significance, reminding you not only where you've been, but also where you're capable of going. Making these items into wearable pieces of art - amplifying their power to become amulets and talismans - is a rewarding experience that's easy to do. Working with the most basic of tools, you will learn cold-connection jewelry techniques to expand your creative process. In addition to basics like creating jump rings and using a file, you will also: Make your own hook and latch clasps; Cut windows from sheets of metal; Inlay designs into polymer clay; Incorporate concrete into your work; Achieve patinas with heat; Journal your thoughts onto faux bone; Turn paper pulp into realistic rocks; Create "time capsule" beads from Plexiglas; And much, much more! Discover the rewards of making your own amulets and talismans by learning new techniques to drive your creativity in an entirely new direction.
