There is nothing to be found in the pages of these books but misery and despair. You still have time to choose something else to read. But if you must know what unpleasantries befall the charming and clever Baudelaire children read on...The siblings endure a car accident, a terrible smell, a deadly serpent, a long knife, a brass reading lamp, and the re-appearance of a person they hoped to never see again. Then again, why trouble yourself with the unfortunate resolutions? Avoid these books in Lemony Snicket's international bestselling series and you'll never have to know what happens!
