Originally published under the title of "Might is Right" THE BOOK OF POWER is an unabologetic treatise of acquisition, power and the privilege that comes from self-entitlement. If it be true that every man and woman is star then is your bible of stardom. Natural law makes no false judgments. Its decisions are true and just, even when dreadful. The victor gets the gold and the land every time. So there is no reason to hesitate or doubt yourself. If you want something ... anything ... don't apologize. Go after it and may the devil take the hind most!!! Cunning and guile are not evils but virtues to be cultivated. THE BOOK OF POWER has been issued not for private profit, but to assist in uprooting the alien and pernicious ideals that have been for so long corrupting the blood and corroding the brain. You will find that THE BOOK OF POWER is your personal cheering section; a strong and supportive voice to drown out the clamorous thoughts of surrender and self doubt.
