A special deluxe set featuring two hardcover volumes: Alan Moore's Courtyard Collected Edition - The story of FBI man Aldo Sax, whose legendary skills at piecing together the most baffling of cases have gotten him assigned to what may be his most confusing case yet. The Courtyard Companion - Explores The Courtyard's Lovecraftian roots, reprinting the original script along with full annotations of all Lovecraftian references, researched by scholar NG Christakos. Also includes Moore's original short story, pinups and art, and an essay from adapter Antony Johnston. Both volumes are hardcovers with exclusive new full color cover images, along with an art print by Jacen Burrows, packaged in a full color sleeve!
