We all have dreams and expectations of life. But life is unpredictable. No matter what we do or how we live, we are certain to encounter trials and setbacks, frustrations and real suffering. The question is, how are we to respond when we are blindsided by troubles? What can we do when life knocks the wind out of us?

If you’ re like most people, when hardship hits you can think of countless situations you’ d rather be in. Yet the secret of making it through is in learning how to make right choices and thrive in the middle of difficulty.

In *Get Over It and On with It!*, outspoken Bible teacher Michelle McKinney Hammond finds contemporary application in the ancient stories of several men and women who took the path from suffering to overcoming. Their journeys teach us how to press through hardship and get to the other side of our disappointment.
