One secret to marital bliss is for a wife to love her husband the way God designed for her to love him - even with his shortcomings. God hasn't called a woman to change her husband, but to focus on her calling as a wife. And the rewards for doing so are rich! Elizabeth provides valuable and practical insights on 12 key areas of a marriage, including...What it means to be a husband's helper; What submission is and isn't; Nurturing joy in your home and family; Excelling in your work...and making time for fun as a couple! This book can be used alongside "A Husband After God's Own Heart", or as a stand-alone volume.
