"KINGDOM OF THE DRAGONS LIGHTS, Book 1," is the first of eight books telling the captivating legend about the exciting trials through which a group of bold adventurers have to go in their pursuit of the greatest treasure in the universe. Loads of gold, precious stones, jewelry and all the secret knowledge of the world would seem like plain, cheap dust, compared to the superbly bright and amazing, absolute treasure of the dragons. The dragons themselves are majestic creatures whose shine, magnificence, glory and brutal power are so colossal that those creatures that the earthly legends call dragons are only an apology for the real ones.
