This new title from the celebrated Italian publisher Paravia, in association with Oxford

University Press, is derived from the landmark Oxford-Paravia Italian Dictionary, published in 2001. It provides authoritative, up-to-the-minute coverage of over 175,000 words and phrases and 290,000 translations, making it the most authoritative Concise Italian Dictionary available. The dictionary also offers detailed advice on grammar and usage, as well as an extensive guide to correspondence that includes over 100 sample letters and CVs.
