In a culture that exalts the caveman-like qualities of masculinity, most women have stopped expecting anything more. Young men are taught to view women as slaves to their self-centered desires. More than ever, men need to know that they can rise above this sad mediocrity. They desperately need someone to recognize their potential for blending courage and kindness, strength and spiritual sensitivity. With its riveting vision of Christ-centered manhood, God's Gift to Women shows young men how to become the heroic, selfless knight that every woman dreams about.
