Before the birth of the universe, there existed your "Original Face," the limitless Self that has been present throughout the unfolding of inert matter into life-and that continues to dwell within us at every level of consciousness. Where is this grand evolution taking us-and how can you participate fully in it? On Kosmic Consciousness, Ken Wilber invites you to find out. In 10 fascinating sessions, he pursues the questions most relevant to today's spiritual seeker. Join one of the most significant thinkers of our time as he shares a feast of ideas to inspire you in your personal evolution.
