isbn:9780807218747

This volume includes:

Encyclopedia Brown, Boy Detective and The Case of the Secret Pitch – two collections of mysteries that Encyclopedia Brown must solve by using his famous computerlike brain.

A cross-eyed baseball pitch...

A kid-lover turned kidnapper...

A watermelon stabbing...

A trapeze artist's inheritance...

These are just some of the brain-twisters included. Try to crack the cases along with him--the answers to all the mysteries are found in the back!
