Mommy, Please Don't Cry is a book of love and comfort for mothers who have experienced the deep sorrow of losing a child. Serene illustrations frame gentle words that describe heaven from a child's perspective. With room for the reader's personal reflections at the end of the book, every page is a poignant gift of hope and healing. "Our stories are all different, but our pain is the same," writes Linda. "We are mothers who will forever grieve the loss of our children. And yet, there is hope for our troubled souls."
