These pocket dictionaries give business and vacation travelers everything they need for a smooth, successful trip. Organized by subject, the traveler can quickly find the vocabulary relevant to the situation, whether transportation, hotels, meals, shopping, post offices and banks, sports, or health care, accompanied by a pronunciation guide.

At the end of each phrase book is a 2,000-word mini-dictionary. Fully updated from the original editions to reflect currency changes such as the Euro and new vocabulary such as e-tickets.
