isbn:9780631219194

This volume brings together a team of leading psychologists to provide a state-of-the-art overview of adolescent development.

Leading experts provide cutting-edge reviews of theory and research.

Covers issues currently of most importance in terms of basic and/or applied research and policy formulation.

Discusses a wide range of topics from basic processes to problem behavior.

The ideal basis for a course on adolescent development or for applied professions seeking the best of contemporary knowledge about adolescents.

A valuable reference for faculty wishing to keep up-to-date with the latest developments in the field.
