In a world where too many financial advisors do not follow their own advice, here is a book written by experts who practice what they preach and who will teach you how to thrive, not merely survive, during turbulent economic times. This is the real deal . . . The Real Book of Real Estate. The only thing better than one real estate expert teaching you how to invest and win is twenty-two real estate experts with that same mission. Robert Kiyosaki, bestselling author of Rich Dad Poor Dad, has assembled an unrivaled cast of real estate wizards and trusted advisors with one purpose in mind: to share their knowledge and teach you to win in real estate. The Real Book of Real Estate will be your number one source as you decide the real estate niche that is perfect for you; as you navigate the ups, downs, and in betweens of the real estate market; and as you become the expert you know you can be. Whether you are a seasoned investor or buying your first property, this is the one audiobook you can and will listen to over and over again in an up or down real estate market. Robert Kiyosaki's team of real estate experts shows you how to: a Value a property a Lease a property and keep it leased a Find and buy foreclosures a Get financing a Entitle property a Find hidden investment opportunities a Protect your assets a Minimize taxes a Establish your own team of advisors

我不喜欢这个日本美国人，但不是因为爱国，只是因为他出了一本爸爸以后，开始围绕着这个系列，疯狂出书，圈钱，他的观点是没有错的，可是这样的行为，实在让人不齿。Ken Fisher也出了很多本书，但是每本的主题都不同，这才值得尊敬和敬仰。这本书，基本上来说，他就是起个引荐的作用，其他每个部分都是一个人来上课，而且观点都很不错，本质正确而有行为指导性。
