The Slayer's Guide to Centaurs is the third supplement in the acclaimed Slayer's Guide series from Mongoose Publishing. Focusing on the insular and shy race of centaurs, this book provides lavish detail on these reclusive creatures. Games Masters will find within these pages a huge amount of new material that can be incorporated into any existing campaign, allowing them to portray centaurs with an unparalleled depth. Players will benefit from studying these creatures intimately, giving them a huge advantage should they invoke the wrath of these legendary woodland beings.
