Fiction reaches the hearts of kids through the power of story. With over eight million copies sold in the series, Left Behind: The Kids is a favorite of kids age 10-14. The series follows teens that were "left behind." They have nothing left but their new-found faith in Jesus Christ. Determined to stand up for God no matter the cost, they are tested at every turn. Background plots are from Apollyon, the fifth book in the Left Behind adult series originally released in 1999.
