A unique segment of the movie audience attends for one special scene. It could be a cigar scene (Joseph Cotten asking the young reporter to sneak him a "see-gar" in *Citizen Kane*), or a funny walk (Walter Brennans in *To Have and Have Not*). For these fans a particular scene that brings them back time and time again. This is a witty, wry compilation of the best: accountant scenes, ballpoint pen scenes, food mushing scenes, telephone scenes, and more, arranged by category and described lovingly. The work is a droll delight to read.
