This exciting new edition contains many special and revised features, including...a more compact size than the original; updated NASB text; a 32-page guide to carrying out the steps of observation, interpretation, and application; full-color pages with step-by-step instructions for marking and studying the text; individualized instructions and overviews for every book of the Bible; wide margins for notetaking; 24 pages of full-color charts, historical timelines, and maps; dozens of unique study helps, including a comprehensive history of Israel; and valuable cross-references and concordance. "Knowledge that is self-discovered is stored in the deepest part of the mind and remains the longest in the memory. There is no jewel more precious than that which you have mined yourself." (Howard G. Hendricks Dallas Theological Seminary).
