This 35-book series of basic readers is divided into five sets, each set producing progressive reading challenges for the beginner. Books teach reading skills by word families derived from similar sounds. For instance, from at, we get cat, bat, sat, etc. Each set consists of five First Volumes plus two Bring-It-All-Together review readers. This Bring-It-All-Together Book reviews the long vowel sounds originally taught in Jake and the Snake, Jeepers Creepers, Two Fine Swine, What Rose Does Not Know, and Pink and Blue.
