Widely considered the world's greatest living medium, George Anderson remains the premier voice among those who communicate with lost loved ones. In the twenty-five years he has worked with bereaved families, he has earned an international reputation for his remarkable gift.

Now, for the first time, George Anderson offers a vivid, first-hand account of his spiritual communications. He explains what it's like to be a psychic, what he experiences, and what it means. He directly answers the many questions most commonly asked of him. He also shares recent moving, inspirational readings that reassure and enlighten us about life and the afterlife--a message of hope and love as extraordinarily beautiful as it is eternal...

"Compassionate...poignant....The fundamental point of this intriguing book is that love binds us...an enduring spiritual bond with a lost loved one can be heartwarming and therapeutic for the living."-- Publishers Weekly
