Integrating American Indian law and Native American political and legal traditions, this encyclopedia includes detailed descriptions of nearly two dozen Native American Nations' legal and political systems such as the Iroquois, Cherokee, Choctaw, Navajo, Cheyenne, Creek, Chickasaw, Comanche, Sioux, Pueblo, Mandan, Wyandot, Powhatan, Mikmaq, and Yakima. Although not an Indian law casebook, this work does contain outlines of many major Indian law cases, congressional acts, and treaties. It also contains profiles of individuals important to the evolution of Indian law. This work will be of interest to scholars in several fields, including law, Native American studies, American history, political science, anthropology, and sociology.
