Among Shakespeare's plays, "Hamlet" is considered by many his masterpiece. Among actors, the role of Hamlet, Prince of Denmark, is considered the jewel in the crown of a triumphant theatrical career. Now Kenneth Branagh plays the leading role and co-directs a brilliant ensemble performance. Three generations of legendary leading actors, many of whom first assembled for the Oscar-winning film "Henry" V, gather here to perform the rarely heard complete version of the play. This clear, subtly nuanced, stunning dramatization, presented by The Renaissance Theatre Company in association with "Bbc" Broadcasting, features such luminaries as Sir John Gielgud, Derek Jacobi, Emma Thompson and Christopher Ravenscroft. It combines a full cast with stirring music and sound effects to bring this magnificent Shakespearean classic vividly to life. Revealing new riches with each listening, this production of "Hamlet" is an invaluable aid for students, teachers and all true lovers of Shakespeare -- a recording to be treasured for decades to come.

评论

绝对的伟大。伟大的开头：who' there? 伟大的结尾：the rest is but silence.
让你猜不透的哈姆雷特，真如某评论家所说: Hamlet is a tragedy of an audience that can't make up its mind.
