This book is a comprehensive and practical guide to masters or doctoral research work. Professor Balian's unique presentation was written with the student in mind and

helps dispel the mystique and trepidations of graduate level research work. The text is clearly presented and facilitates an understanding of research theory coupled with a 'hands-on,' and very student-supportive, practical approach. Numerous charts and checklists throughout the text help ensure academic success for the reader. This third edition was formerly titled How to Design, Analyze and Write Doctoral Research, 2nd Edition.
