On the very day an arsonist burns down Liv Endicott's bookstore in a small town in the Washington mountains, she finds fate has another shock in store for her. Amid the smoke, rubble, and tears, Sean McLoud appears, calling her name. He's every inch the man he always was - the man she kept on wanting. But wanting is not the same as trusting, and she doesn't dare let him get too close. Yet a ruthless killer is gunning for Liv, and she'll die unless they join forces to unearth a chilling truth - and come together in a blaze of searing passion.
