"Michelle sets aside the political correctness of our society's views and calls a truce between the genders with her biblically based perspective on the art of being a woman". ("Today's Christian Woman magazine"). Writing with her characteristic boldness, grace, and gut-level honesty, Michelle McKinney Hammond challenges women to unearth the hidden gift of their femininity. Readers will gain a new, biblically based perspective on their femininity and a few laughs along the way as they experience Michelle's refreshing take on the real feminine mystique. They will discover: the power of influence; the pitfalls of manipulation; the strength of vulnerability; how to make up for their mate's weaknesses; and, how to take advantage of his strengths. Instead of being threatened by men and unsure of their own value, readers can truly embrace the precious value of being women as they inspire the world with their intrinsic strength, intuition, sensitivity, and yes, sexuality. This is the rerelease of "The Power of Femininity".
