An energetic toddler thinks up some very exciting things to do. “Can I drive the car?” What does mommy think of these ideas? A simple, gentle, and loving dialogue between a toddler and his mother follows with warm and colorful illustrations and questions and answers that capture toddlers’ attention. Mathew Price was a children’s bookseller before launching as a packager in 1983 and as a publisher in 1998. He is the author of many books for young people including Peekaboo! (Random House). Atsuko Morozumi is the illustrator of The Reindeer Christmas and many children’s favorites, including One Gorilla , which was an American Bookseller Pick of the List and a New York Times Best Illustrated Children's Book.
