"[One] of the most engrossing books this season."

-- O at Home "Altogether so superior it's hard to believe that it's a debut."

-- Booklist "This novel is a delight. It grabs you from the opening paragraph . . . and holds you with its cathartic exploration of home and family."

-- The Oregonian Ellen Flanagan has two precious girls to raise, a cozy neighborhood coffee shop to run, terrific friends, and a sexy, if irresponsible, husband. And she adores her house, a yellow Cape Cod filled with quirky antiques, beloved nooks, and a million memories. But as her eighteen-year-roller-coaster marriage heads toward divorce, she's about to lose it all--her house, her husband . . . and her sanity. Set in the gorgeous surroundings of Portland, Oregon, Kathleen McCleary's funny, poignant, curl-up-and-read debut strikes a deep emotional chord and explores the very notion of what makes a house a home.
