A simple-to-use, scripted guide to grammar and composition that makes successful teaching easy—for both parents and students. This volume, the Level 4 Instructor

Guide in the complete elementary grammar series, uses classical techniques of memorization, dictation, and narration to develop your child's language ability in the important, foundational years of language study.

The text covers a full range of grammar topics, including parts of speech, punctuation, sentence diagrams, and skills in beginning writing and storytelling. Optional end units provide practice in dictionary use and letter writing. Designed to follow Levels 1-3, the Level 4 Instructor Guide can also be used as a first grammar text for older students. A Level 4 Student Workbook is available separately with worksheet and activities. Grade Recommendation: Grades 4-5 .
