This title is a must for every student with essays to write! It shows: how to deal with 'academic-speak' and monster reading lists; how to choose and use an efficient reading and note-taking strategy; how to clarify awkward essay topics; how to find the right structure for your essay; and, how to avoid accusations of plagiarism. This lively, concise and to-the-point guide will help you to study and write efficiently and effectively. It offers hints and practical suggestions so you can develop good study skills and build your confidence. With this guide you can get the grades you deserve for the work you put in. No student should be without it!
